THE TREASURE OF BARRACUDA

EL TRESOR DE BARRACUDA

BY ADRIÀ GARCIA

While trying to find her parents, Sparky accidentally ends up on board... a pirate ship! The ship is crewed by a gang of fearsome pirates with a huge problem: in order to find the treasure they are so desperately searching for, they must look for clues inside a book, but the only person who knows how to read on board the ship is Sparky, and so she is ordered to stay with them until they find the treasure!
