L'ORQUESTRETA

**BY JUAN CARVE**

*La Orquestita* is a series that celebrates music. We all love songs ... but what are they made of? Why do they make us feel this way? It's all a bit mysterious ... but don't worry, *La Orquestita* has come to decipher that mystery! The series follows the adventures of Toto, Vale and Julen, three friends who love music as much as getting into trouble. Together with grandfather, Juan Barbas, a legendary ex-roadie who still has his old truck, the band will visit strange characters to try to reveal the secrets of music. Or at least have a great adventure. Either way, *La Orquestita* is going to be loud and viewers will learn how to make a song!
