

# A DANGEROUS JOURNEY

UN VIATGE PERILLÓS

BY LUCIJA STOJEVIC

*A Dangerous Journey* is a transmedia experience that combines breathtaking interactive animation with a generative AI tool. It breathes life into the testimony of three children that shared imprisonment in internment camps in France during World War II. It is told from the point of view of these three children, one is a Sephardic Jewish boy from Vienna, one a Roma child from Alsace and the third a refugee of the Spanish Civil War from Catalonia. *A Dangerous Journey* takes an innovative approach to the past, targeting 12 to 16 year olds, creating an immersive space for reflection against bigotry and hate.
