

WHISPER AMONG OLIVE TREES

EN LA ESCUCHA

BY JUDRO GUERRERO

The vibrations of the Extremadura landscape permeate the skin of the olive trees. For 400 years, they have witnessed the same story: that of a soul divided into two bodies. Brothers and farm hands, Juan and Bruno, live with the silence of these ancestral beings.

With the collaboration of: Fundació PHONOS, Diputación de Badajoz, Ayuntamiento de Jerez de los Caballeros, Universidad de Extremadura
