ALTERNATIVA A BARCELONA**

BY ZOSEN BANDIDO, MIQUEL ARDÈVOL, ERIC DE GISPERT

Inspired by underground publications called fanzines, Zosen Bandido, Miquel Ardèvol and Eric de Gispert author this documentary series that portrays artistic creation and alternative culture in Barcelona from the late 1970s to the present. Through the protagonists of the different scenes and a crazy collage of images, we travel through the most hooligan and rebellious Barcelona; the B-side of the city in the last 50 years. Comics, graffiti, skateboarding, alternative music, social movements, gentrification and new artistic generations are, among others, the topics that are discussed chronologically throughout the different chapters.
