

WHO ARE WE?

QUI SOM?

BY SALVADOR SUNYER

Camille and Blaï, an artistic and sentimental couple, have won the admiration of the European scene thanks to the unclassifiable shows of their circus troupe, Baro d'Evel. When one of the most important theatre festivals in the world commissions a new show from them, the couple feel the need to find meaning in their lives not only as artists, but also as a couple and as the parents of two daughters.
