ALBIGESOS, 18-20

BY MARIA SERRALVO

A house in Barcelona, located at 18-20 Albigesos Street, is the main setting for this story. Over the last 25 years, this space has seen the passing of three families. Between documentary and experimental cinema, this short film narrates a journey to the centre of the home as a central point from which its protagonists reflect on their history, contemplating three vital phrases of three different women and discovering the infinite number of memories hidden behind the same door.
