SEMPRE DHARMA

BY ALEIX BARBA

An intimate celebration, like a family table where the truths appear, in the midst of the preparations for the 50th anniversary concert of Companyia Elèctrica Dharma. More than a group, a musical tribe of friends and brothers who knew how to merge traditional Catalan music, jazz and rock at countless major festivals in all corners of the world until they became an essential part of the popular soundtrack of the country. Adventures and anecdotes of half a century of shared life full of comedy, drama,

tragedy and perseverance.
