NORA NO SABE

BY LUÍS ALLER

Nora's life falls apart when her husband leaves her. The multiple Noras go through 36 dizzying hours exposing the fragility of her soul to all those who want to follow her. Neurodiverse children, with whom she works as an educator, narrate the different parts of the story, offering a multisensory view of reality. Taking these kids' affection, categorised by the society as disabled, Nora will discover her own disability to face her own life.
