## ESTELA

BY LILIANA DIAZ CASTILLO

**Estela (36) is going through the emptiness of a great disappointment, she feels vulnerable and unstable. She tries to be strong and hide her fragility. She got used to fight, but now it is different, she is alone with her daughter Soía (7) in a place that is not hers, they arrived in Spain three months ago. A fear she didn't know about gets out of her control, gaining space in her mind. While her body rejects the Barcelona she is passing through, her spirit feeds on the strength of the imaginary of her origins to bravely go through the harshness of uprooting and exclusion.**
