

MEMORIES OF A BURNING BODY

MEMÒRIES D'UN COS EN FLAMES

BY ANTONELLA SUDASASSI FURNISS

Memories of a burning body portrays the story of Ana, Patricia and Mayela, who, raised in a repressive era where sexuality was taboo, gradually found the meaning of femininity through unspoken rules and implicit impositions. Now, their courageous voices are embodied in a single 65-year-old woman who revisits a kaleidoscopic life that intertwines memories, secrets and hidden desires.
