

THE TEACHER WHO PROMISED THE SEA

EL MESTRE QUE VA PROMETRE EL MAR

BY PATRICIA FONT

When Ariadna finds a mysterious notebook, she decides to look for the person who was her grandfather's teacher, discovering an exciting story marked by tragedy. In 1935, Antoni Benaiges obtains a teaching position in a small, isolated town in Burgos. There he establishes an intense relationship with his students, a group of girls and boys between the ages of six and twelve, to whom he makes a promise: to take them to see the sea for the first time. Seventy-five years later, the daughter of one of those students discovers the wonderful story behind that unfulfilled promise.
