

RESTLESS WATERS, SHIVERING LIGHTS

EL FAR

BY ÁNGELES HERNÁNDEZ

Lidia and her dad, Pablo, return to the family lighthouse after her mother's death in an accident on the high seas. Pablo, aware of his daughter's fragile emotional state, is worried about a relapse following her recent suicide attempt. Lidia, annoyed by her father's lack of trust, wants to prove that "something" is happening in the lighthouse. She wants to find out the truth about what's hidden in the lighthouse's past. Lidia will have to face her greatest fears and the threat of the monsters that loom over her, her father and the lighthouse, before it's too late.
