

## **CLOSE TO THE SULTAN** **A L'ALCOVA DEL SULTÀ**

**BY JAVIER REBOLLO**

The Venerable Sultan of the imaginary country Nour, is looking for someone to initiate him in the mysteries of the camera obscura and the cinematograph. 1901, during a partie de campagne on the banks of the Rhône, the adventurer and operator of the Lumière brothers' cinematograph, Gabriel Veyre, reads this advertisement. He stays in Maghreb for thirty years; initiating the Sultan in the technique of the cinematograph... and also in other mysteries of the palace and bedroom.

A film of adventures, eroticism, science-fiction and humour.
