LA BONA EDUCACIÓ

BY N/A

Marta is the director of a school for adults that not only serves to educate people with different needs, but is also one of the pillars for the cohesion of a neighbourhood as diverse as it is conflictive. Marta returns to the school after having been on leave due to the death of her wife. Now she is ready to move on with her life. However, she will have to face the worst of her fears: the closure of the school. Something that would put an end to the life goals of many of her students, and also her own.
