

## MOON

LLUNA

**BY POL MANSACHS**

Pol and Miquel play astronauts in the back of their father's van. The game, however, ends with a strong discussion between the brothers that leads the youngest, Pol, to ask his imaginary friend to punish his brother. The invisible friend appears and proposes different macabre ways to take revenge, but Pol doesn't take it seriously and doesn't see it as necessary. The friend, however, does his thing and takes advantage of a moment when they are alone to make Miquel disappear. Pol, devastated and feeling guilty, decides to lock himself in where he disappeared to be able to meet up with him again wherever he is.
