

FINAL DIARY

DIETARI FINAL

BY ÈRIKA SÁNCHEZ MARCOS

Autumn in the Vidabona mountains. Myla tries to live with the recent death of her husband and maintain some normality for her son, when her whole world has collapsed. Financial problems lead her to work in the hostel El Negre, a place of great mystique. There she comes into contact with Gerard, an obsessive utopian engineer on a strict fast who will challenge her beliefs, pushing his life to the limit. Both characters, immersed in a deep life crisis, will mirror each other, directly contemplating their lives and finding a new meaning in them. They will let a part of themselves die in order to be reborn into the world.
