

## WHO IS WHO?

QUI ÉS QUI?

BY HUGO MARTÍN CUERVO

The Fuentes are not the best family in the world, but what family is? Work, school and routine have plunged them into a spiral of disconnection that seems impossible to stop. However, everything changes when the youngest of the group, Valentina, makes a wish for her ninth birthday. The next day, everyone in the family wakes up with swapped bodies. Chaos grips the family and, in desperation, they ask themselves: Who is who? As the family faces crazy situations and hilarious circumstances, the Fuentes must learn to put themselves in each other's shoes and trust each other to reverse the situation. Will they be able to return to their original bodies and recover their lives?
