

POR TUS MUERTOS

BY SANTIAGO AYUSO

METRALLA was a rock band from the late 80's that achieved great success with their first and only LP titled "Por tus muertos", but mysteriously disbanded just before giving their first concert. Thirty years later, Miguel, one of the band's members, still dreams of being a rock star, but it looks like that's not going to happen. Ordúñez, a famous rock radio broadcaster, offers him a concert at Palacio de Madrid, on the condition that he reunites the original members of the band.
