

# INVASIÓN

**BY DAVID MARTÍN-PORRAS**

Under the guise of a science-fiction story set in a futuristic Spain set in a futuristic Spain colonized by aliens, three stories are intertwined to intertwine to create a vision of youth and war in a kaleidoscope that transcends space and time. Its seven characters, two prisoners, three soldiers of the resistance and two rebel members are trying to overcome impossible situations and all find in love the only antidote to a world that has become a trap.
