

SEARCHING FOR THE WISEMEN

A LA RECERCA DELS SAVIS

BY ELOI TOMÀS

Alfonso Rovira was an executive and stock market investor who, disillusioned by the current crisis of values, left everything to see the world. Now, he is on a road trip across the Australian desert in search of ancestral references that provide us with wisdom. Alfonso has a clear objective: to enter, whatever it takes, the Aboriginal civilization, which has a message to give us...
